From the president's desk

It is hard to pinpoint when mankind first harnessed the power of wind. Leif Ericsson and Christopher Columbus both reached the American continent in sail boats. Paintings of sailboats have been found on the walls of the pyramids at Giza, Egypt, which were completed around 2560 BC. Other evidence indicates that the use of sailboats could date back as far as 5000 BC. The Chinese may have used wind power to pump water as early as 200 BC. As trade among people expanded, the technology spread. The Dutch are well known for their use of windmills, which they used to pump water from the marshes of the Rhine Rive Delta. There are over 1100 windmills in the Netherlands today, and they are a major tourist attraction.

The Westerville Lions are known for knowing how to run events, such as our **24th Annual Pancake Breakfast** and our **59th Annual Roast Chicken Dinner** in June. (So next year, we get to celebrate our **25th and 60th** respectively.) This also means that my year as President of the Club is almost over. Our biggest events are here so I am asking all of our wonderful members to please be careful as the Winter weather turns toward lovely Spring weather and harness the Mighty Winds that are blowing through Central Ohio. Let's make the remaining Lions activities the best we can . Make sure you say hello to Lion L who will be at these events.

I look forward to working with the members that have stepped up to volunteer to serve in Board Cabinet positions.

We will continue the great success and legacy of the Westerville Lions as we continue to live up to the motto of **“We Serve”!**

Your Lion President,

A.J. Westlund

Help needed for computers and playground equipment

Lion Bill Phythyon will be bring a box to our next meeting for the collection of used cell phones and empty ink jet cartridges. Bill's neighbor teaches at the School for the Deaf. The school can use these items to get points toward the receiving of computers and playground equipment.

What a great way to get started on your Spring Cleaning....

Help Bill help the Deaf.

Beechcroft Lions Club Mulch Sale

The Beechcroft lions are selling mulch as a fund raiser. The sale is April 8th and 9th or you can order your mulch needs by getting an order form online at www.Beechcroftlions.com if you have a question try beechcroftlions@gmail.com or call 614-895 0251.

If you get your order in they will deliver on the 8th or 9th.

I am not sure that they will spread the mulch or not.....
